

Monthly Food Aid

Nourishing bodies, nurturing hope

In Bali, many families face the dual challenge of undernourishment and poverty, often compounded by developmental or psychological disorders. At Sole Family Bali, our goal is to reach out to these families with a sustaining hand. Currently supporting over 900 families across the island, we are committed to addressing not just their immediate nutritional needs but also supporting their overall well-being.

Our Mission:

- ♦ **Targeting the vulnerable:** Focus on undernourished families, many of whom are grappling with additional challenges due to developmental or psychological disorders.
- ♦ **Comprehensive nutritional support:** Provide basic staples, a daily fresh food allowance, and high-quality milk formula to each family.
- ♦ **Budget for impact:** With IDR 2M budgeted per family each month, your support can bring transformative changes to their lives.

Beyond Nutrition:

Our aid program is more than just about providing food. It's about nurturing these families, giving them the foundation to improve their overall quality of life and development. By supporting the whole family unit, we aim to foster stronger, more resilient individuals and communities.

Your Role in This Journey:

- ♦ **Empower a family:** Your commitment to one or more families is an opportunity to instill hope and contribute to their well-being.
- ♦ **Total contribution:** To support these 50 families, a collective donation of IDR 100M per month is required.

Why Support Us:

- ♦ **Direct impact:** Witness the tangible difference your support makes in the lives of these families.
- ♦ **Community connection:** Strengthen the fabric of our local community through your involvement.
- ♦ **Brand alignment:** Align your corporate values with a cause that resonates deeply with your customers and employees.

Benefits to your organization:

- ♦ **Social media recognition:** We will repeatedly share your brand and contributions with social media followers, amplifying your CSR efforts.
- ♦ **Hands-on experience:** We invite our supporters to join us for outreach missions, offering a firsthand experience in meeting the families you're impacting.
- ♦ **Community engagement:** Participating in this program enhances the social fabric of Bali, positioning your organization as an agent of real change and improvement in the community.

Join us in making a difference:

Your partnership in this program is not just a charitable contribution; it's an active engagement in changing lives. It's an opportunity to be part of a story that is about growth, resilience, and hope.
