

Sponsor monthly medicines for our mental health patients

Championing mental health in Bali

SoleFamily Bali's mental health program is a beacon of hope in a landscape where mental illness is often misunderstood. Our initiative extends beyond the confinement of pasung, addressing a spectrum of mental health conditions. With the support of a trained psychiatrist, we are committed to changing perceptions, providing education, and enhancing awareness that the symptoms of mental illness can be reduced with the correct treatment.

Comprehensive mental health care:

- ♦ **Diverse illnesses:** We assist patients with a variety of mental health issues, ensuring each individual receives tailored care.
- ♦ **Education and awareness:** Part of our mission involves educating communities, dispelling myths, and promoting understanding about mental health.
- ♦ **Under expert supervision:** All treatments and interventions are under the supervision of a trained local psychiatrist, ensuring professional and effective care.

The cost of comprehensive care:

- ♦ **Monthly expenses:** The cost of medications to maintain this essential program is approximately **IDR 50M per month**.
- ♦ **Widespread impact:** Your donation of **IDR 50M** not only supports families currently under our care but also extends to new families we identify in need of assistance.

Benefits to your organisation:

- ♦ **Social media recognition:** We'll highlight your support through regular posts via our social media enhancing your brand's visibility.
- ♦ **Brand association:** Use SoleFamily's branding to showcase your commitment to mental health, improving your corporate image.
- ♦ **Team involvement:** Organise visits for your team to understand the impact of your support and meet the families benefiting from your contributions.
